It doesn't matter if you are competing at your school carnival (able to swim 50m) or National Championships. If you are aged 7 and older this is a great opportunity to learn straight from swimming's most experienced family.

Join Ron, David and Emma for a fun session of skills, drills and technique. Be inspired by their stories, watch them swim, race them in the pool.

With a combined six Olympic experiences this is going to be an opportunity not to miss.

Ron 1980 and 1984 finalist and 2016 Team Coach
David 2012 and 2016 finalist
Emma 2016 Gold, Silver and Bronze Medallist
