

You will shortly receive your customer login for the McKeon's new online portal called Perfect Mind.

We encourage you to book your aqua, swim for fitness and casual swimming through online.

Bookings are available up to 7 days in advance.

The first time you logon you will need to reset your password.

Purchase a new visit pass thru Buy Membership or top up your existing pass by clicking on the cross on the top of the pass.

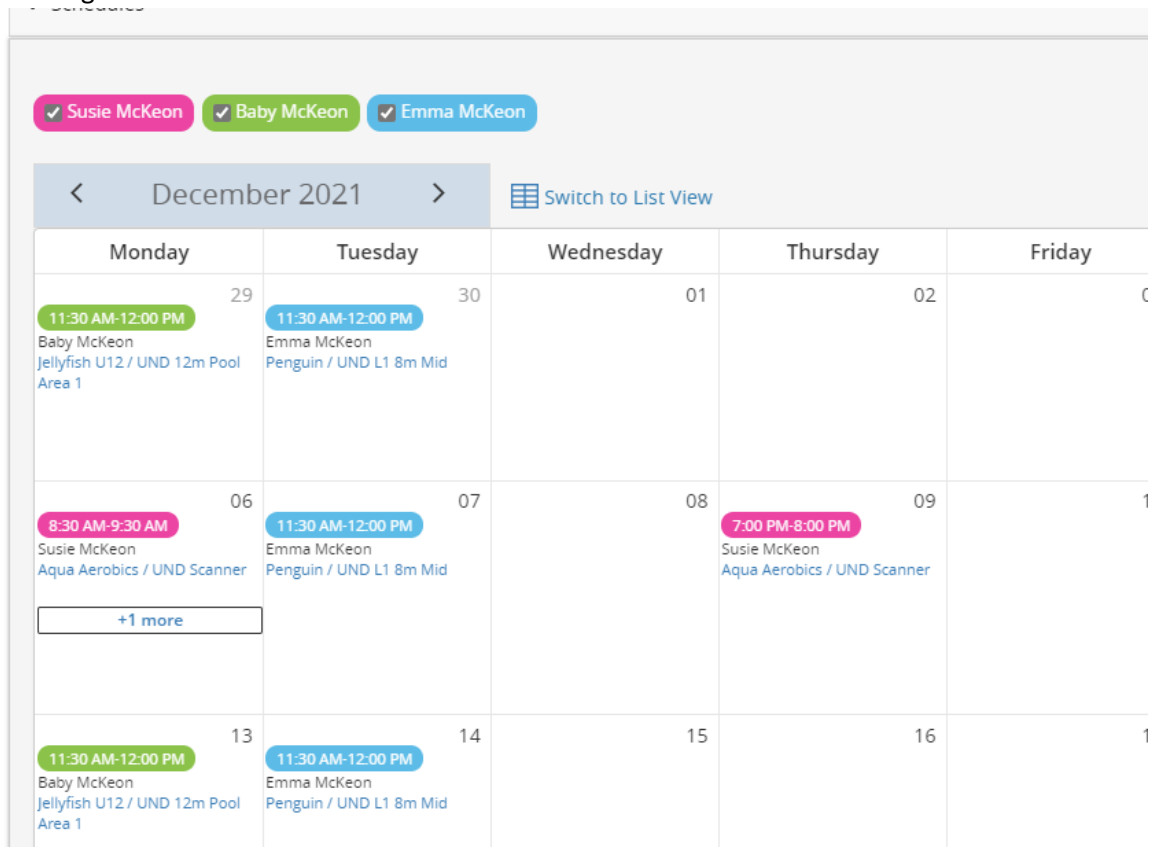

A visit is deducted off the pass at the day and time of the class, (not when you book the class).

Select the Schedule tab along the top menu

The screenshot shows the website interface for McKeon's Swim School. At the top, there is a navigation bar with the 'Schedule' tab selected. Below the navigation bar, there is a 'Filters' section on the left with various search criteria: Keyword, Location, Service, Date Range, and Time Range. To the right of the filters is a 'Select an Activity' section with two columns of options. The first column, '1 Swim School', lists 'Adult Swim Program', 'Holiday Intensive Program', and 'Perpetual Program'. The second column, '2 Other Programs', lists 'Aqua Aerobics' and 'Casual Swimming'.

Select the class you wish to book into, follow the prompts and make the appropriate payment.

If you have a visit pass it will automatically pick this up.

If we have sighted your concession, it will automatically pick this up and charge accordingly.

Follow the prompts
